

Beyerskloof Pinotage 2025

BEYERSKLOOF

www.beyerskloof.co.za

The Beyerskloof Pinotage boasts of being South Africa’s most popular Pinotage, and it’s no wonder. This wine has shown a fruity and enjoyable consistency year after year. Classic Pinotage. A wine made to enjoy and drink on any occasion. The 2025 vintage proudly marks our 30th Pinotage harvest.

TASTING NOTES

Strong red berry and plum flavours with elegant tannins. Well-balanced, medium-bodied wine with a fresh finish. For a full-flavoured experience, we recommend drinking the wine while it is still young.

WINEMAKING

Different systems of skin contact and fermentation in open fermenters, roto tanks, and fermentomatics. 6 to 8 days on skins at 25°C. After malolactic fermentation the wine was treated with oak.

VINTAGE NOTES

Our harvest began on 11 February with Pinotage, making it a very late harvest compared to previous years. Harvest then continued around the clock with the last Cabernet Sauvignon grapes brought in on 17 March.

Volumes are up compared to 2024, although still 9% below the long-term average. Good winter rainfall, favourable growing conditions, and moderate temperatures, especially the cool nights during harvest, resulted in red wines with good acidity, deep colour, and structured tannins.
